

State

```
graph BT; MenuState --> State
```

The diagram illustrates a class inheritance relationship. At the top is a white rectangular box with a thin gray border containing the text "State". Below it is a gray rectangular box with a thin gray border containing the text "MenuState". A blue arrow points vertically from the top center of the "MenuState" box to the bottom center of the "State" box, indicating that MenuState inherits from State.

MenuState
